The company

AG FOIL, s.r.o.

Veselé 426

922 08 Veselé, SLOVAKIA

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 174/2014**

Tested for harmful substances
according to Oeko-Tex® Standard 100

VUTCH-21

VUTCH

for the following articles:

Polyester satin woven tapes in colours white and black. Nylon taffeta woven fabrics in colour white with PA coating, all for printed label, made of materials already certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 30.04.2015
